EXTRA CURRICULAR

Content Creation

A creative sandbox where I explore game development, programming, and design. I use this platform to showcase personal projects, and relevant work from my Bachelor's programme, refining my skills in structured coding, optimisation, and storytelling.

August 2024 – Present

Hanze Honours Programme (SCMI)

Hanze University of Applied Sciences, Groningen

In addition to my Bachelor's studies, I take on extra challenges by participating in classes and workshops through the Hanze Honours Programme, where I focus on developing my personal learning goals.

2024 – 2027
